Tuition Payments

Please remember that tuition payments are due on or before the 1st of the month and the 15th of the month. If you are paying by cash, please make sure you fill out a tuition slip and mark cash on the slip or put your cash in an envelope with your name on it.

On our last fire drill we found we had several children who were either clocked in or out improperly. If this were a real fire, the fire fighters might have gone into the building looking for a child who is clocked in because he/she wasn't clocked out the day before. If your child is on site and not clocked in we will not have their name on the list that we use to make sure all children have cleared the building. This seems to be a continuing problem. We ask that you not let your children use the keypad themselves unless you are visually making sure they are pushing the buttons correctly. Thank you for helping us provide the best care possible for your children's safety.

The entire Center will be closed on the 22nd to observe Good Friday. Please make other arrangements for your child care needs.

Happy Easter!
